

FINANCIAL AID UNUSUAL ENROLLMENT APPEAL FORM

You have been selected for financial aid verification based on your unusual college enrollment history. Federal regulations dictate that we must ask you for additional information before determining your eligibility for federal student aid. The purpose of this form is to analyze your receipt of Pell Grant and Federal Direct Loan funds over the past four academic years.

Along with this form, the Financial Aid Office is required to review your academic transcript(s) showing dates attended and credits earned for all the schools listed. Please note that if you waived transcripts for any school(s) during the Admissions process, they are still required for this review.
